CROWN LIFTERS LIMITED

SAFE HARBOUR STATEMENT

In this Annual Report we may have disclosed past and or forward-looking information [within the meaning of various laws] to enable investors to comprehend our prospects and take informed investment decisions. This report and other statements—written and oral—that we periodically make, contain forward-looking statements that set out anticipated results based on the Management’s plans and assumptions. We have tried wherever possible to identify such statements by using words such as ‘anticipate’, ‘estimate’, ‘expects’, ‘projects’, ‘intends’, ‘plans’, ‘believes’ and words of similar substance in connection with any discussion of future performance.

We cannot guarantee that these past and or forward-looking statements have been or will be realized, although we believe we have been prudent in assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialize or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Readers should bear this in mind.

We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise Corporate Information.

ANNEXURE-E**MANAGEMENT DISCUSSION AND ANALYSIS REPORT****A. INDUSTRY STRUCTURES, DEVELOPMENT, OPPURTUNITIES & OUTLOOK:****• GLOBAL ECONOMY OVERVIEW:**

The global economy has demonstrated notable resilience in the face of multiple shocks over the past year, supported by strong macroeconomic fundamentals in several developed and emerging economies, alongside robust public and private spending. The United States successfully navigated recessionary pressures, while Europe displayed stronger-than-expected resilience. China, however, continues to grapple with structural challenges in regaining economic momentum.

Inflation, though still above target in many countries, has been on a declining trajectory across all major economies. In Asia, inflationary pressures were comparatively lower than in the West and have moderated more rapidly, which allowed interest rates to remain relatively stable. Globally, inflation is expected to ease faster than earlier anticipated, projected to decline to **4.2% in 2025** and **3.6% in 2026**, aided by easing supply-side constraints and the continuation of tight monetary policies.

Nevertheless, the recovery in global growth remains fragile, weighed down by high debt levels, the energy crisis, and persistent geopolitical tensions. The **Red Sea crisis** has further disrupted global trade routes, resulting in longer transit times, higher shipping costs, and rising insurance premiums, thereby adding stress to global supply chains.

According to the **International Monetary Fund (IMF)**, the global economy is projected to expand at **3.0% in 2025** and **3.1% in 2026**. This moderate uptick is underpinned by the sustained resilience of the United States, selective strength in emerging markets, and anticipated fiscal support measures in China. However, growth continues to trail the long-term historical average, constrained by elevated central bank policy rates, reduced fiscal stimulus, and subdued productivity improvements.

• INDIAN ECONOMY OVERVIEW:

The Indian economy has demonstrated strong resilience amid global geopolitical tensions and uncertain external conditions. Buoyed by robust private consumption and elevated public investment—particularly in infrastructure—the country maintained high growth levels in FY 2024. India remains the fastest-growing major economy globally, and it is projected to become the third-largest economy by 2027–2028 in USD terms. Estimates further suggest that India's contribution to global growth will rise by nearly 200 basis points over the next five years.

According to the International Monetary Fund (IMF)'s July 2025 World Economic Outlook Update, India's GDP growth is forecast at 6.4% for both 2025 and 2026, revised upward from earlier estimates due to a more favorable external environment. On a fiscal-year basis, growth is estimated at 6.7% in FY 2025 and 6.4% in FY 2026, reaffirming India's status as the world's fastest-growing major economy.

Economic fundamentals continue to strengthen—with moderating inflation, expanding financial markets, prudent fiscal management, and rising foreign exchange reserves. Capital expenditure has nearly tripled over the past four years, generating a significant multiplier effect on growth and employment. The "Make in India" initiative, supported by enabling policies and incentives, has accelerated growth in the manufacturing sector, while the services sector is rapidly scaling up with digital transformation and technology adoption, enhancing India's global competitiveness.

- **INDIAN CRANE MARKET**

- In 2025, the Indian crane market is estimated at USD 1.48 billion and is projected to reach around USD 2.06 billion by 2030, registering a strong CAGR of 6.8% during 2025–2030. The sector's growth is being propelled by rapid urbanization, large-scale infrastructure investments, and the Government's sustained push through initiatives such as Smart Cities Mission, metro rail expansion, highway and port development projects, and industrial corridors. Additionally, the residential and commercial real estate boom continues to fuel crane demand across high-rise construction and complex project sites.
- The industry is evolving rapidly with increasing adoption of advanced technologies such as IoT-enabled telematics, automation, predictive maintenance, and eco-friendly hybrid systems. These innovations enhance efficiency, safety, and compliance with sustainability norms. Furthermore, the crane rental market, which already accounts for a significant share of industry usage, is expanding steadily—driven by cost efficiency and flexibility for project-based requirements. With these factors in play, the Indian crane industry is well-positioned to maintain a positive growth trajectory, adapting swiftly to technological innovations, sustainability imperatives, and changing market dynamics.

B. OPPORTUNITIES & THREATS:

OPPORTUNITIES:

The Union Interim Budget 2025 has created a strong platform for growth in the infrastructure and construction equipment industry. With a record capital expenditure outlay of ₹11.11 lakh crore, significant allocations to roads (₹2.72 lakh crore) and railways (₹2.52 lakh crore) are expected to drive sustained demand for construction equipment such as earthmoving machinery, cranes, and pavers. Further, the launch of the Urban Infrastructure Development Fund (UIDF) to strengthen Tier-2 and Tier-3 cities, along with the continued expansion of metro rail networks under NAMO Bharat, opens opportunities for specialized urban construction and material-handling equipment.

In parallel, India's manufacturing sector is on a fast-track growth path, supported by the Production Linked Incentive (PLI) schemes, the revival of the industrial capex cycle, and the government's ambition to scale the sector towards US\$1 trillion in the coming years. These policy initiatives are translating into greater investment in industrial construction, driving demand for industrial cranes, heavy lifting equipment, and modern material-handling systems. With strong policy backing, infrastructure expansion, and industrial growth momentum, the Company is strategically positioned to capture opportunities from India's evolving growth story.

THREATS:

- The Indian economy's growth could be badly impacted by a slowdown brought on by unfavorable macroeconomic and international trends. The slowdown in the economy may hurt the infrastructure and manufacturing sectors which in turn can cause a slowdown in the Company's growth;
- Inadequate construction project management, project risks might result in financial and legal difficulties, as well as disproportionate availability of workforce. Poor scheduling, planning, or inefficient resource allocation are just a few examples of how uneven project management can lead to risks that increase delays and increase costs for businesses;
- Banks play the most vital role in financing the projects, however, due to reasons like restricted balance sheet, absence of willingness to lend to infrastructure sectors and drastically increasing non-performing assets may lead to decrease in funding projects;

- The risk of raw material price volatility translating into margin pressure due to a sharp rise in raw material prices, increase the cost of goods sold and affect the profitability of the industry;
- Environmental issues and strict laws may hinder the strong growth of the Company;
- Fluctuations in the demand of construction equipment's can affect the Company's operations;
- Emergence of new foreign and domestic companies can cause the Company to face stiff competition;
- Current war situation around the world may drastically affect the business of the company.

C. SEGMENT:

The company is operating as one of the largest and most preferred supplier of construction equipments servicing all industrial sectors by offering competitive technological edge. Your company has adopted various marketing strategies for sustained growth including increase in number of clients / customers to reduce the dependency on any single client / customer.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. During the period under review, all the decisions in the Board Meetings were carried out in compliance with the provisions of the Companies Act, 2013.

I have relied on the representation made by the Company, its officers and Reports of the Statutory Auditor for system and mechanism framed by the Company for compliances under other acts, laws and regulations applicable to the Company.

I further report that based on the information received from management and records maintained there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, the Company has done following events having a major bearing on the Company's Affairs in pursuance of the above referred laws, regulations, guidelines, standards etc.

- a) The Authorized Share Capital of the Company was further increased from Rs. 11,25,00,000/- to Rs. 12,25,00,000/- by creation of additional 10,00,000 equity shares of Rs. 10/- each and consequent

amendment to Clause V of the Memorandum of Association, as approved by the shareholders at their Annual General Meeting held on 28th September, 2024.

- b) The Board has also approved the creation, offer, issuance and allotment of up to 10,01,656 (Ten Lacs One Thousand Six Hundred Fifty-Six) Equity Warrants, as a preferential issue on a private placement basis to identified investors, at Rs. 268/- per warrant.
- c) The Board of Directors of the Company, vide resolution passed through circulation on 11th November, 2024, approved the allotment of 8,76,656 (Eight Lakhs Seventy-Six Thousand Six Hundred Fifty-Six) Equity Warrants, each convertible into, or exchangeable for, 1 (one) fully paid-up equity share of the Company of face value of Rs. 10/- each at a price of Rs. 268/- per warrant, post receipt of 25% of the total consideration money from the allottees. The balance 75% of the consideration is to be received at the time of exercise of conversion of Equity Warrants into Equity Shares. The issuance of the said Equity Warrants was earlier approved by the shareholders at Annual General Meeting of the Company held on 28th September, 2024, and in-principle approval was granted by the National Stock Exchange of India Limited.

Matters of Emphasis:

On February 10, 2025, the Company received a query from the National Stock Exchange (NSE) regarding its Corporate Governance Report for the quarter ended December 31, 2024. The concerns raised and the Company's responses are summarized below:

1. **Composition of Board (Regulation 17 of SEBI LODR Regulations, 2015):** The Company has sought clarification on the applicability of the requirement to have a minimum of six directors on the Board, as mandated for the top 2000 listed entities. The management of the Company believed that it is not within the top 2000 listed entities based on its interpretation of trading status and market capitalization. However, the company has appointed Mr. Nooruddin Rajwani as an Additional Director w.e.f. 14/02/2025 to maintain 6 Directors in the board and complied with Regulation 17 of SEBI LODR Regulations, 2015.
2. **Composition of Stakeholders Relationship Committee Composition (Regulation 20 of SEBI LODR Regulations, 2015):**
A vacancy in the Stakeholders Relationship Committee arose on November 9, 2024, reducing its composition below the required minimum of three members. The Company filled this vacancy on December 30, 2024 and complied with Reg. 20 of SEBI LODR Regulations, 2015.
3. **Discrepancy in Audit Committee Meeting Attendance**
In the Audit Committee meeting held on October 21, 2024, the Company reported that three Independent Directors attended the meeting; however, the count of Total Number of Independent Directors in the Committee as on the date of the meeting were two. This discrepancy was due to an inadvertent typographical error and which was rectified by the company.

Thus, The Company has addressed all the concerns raised and has taken corrective actions and provided clarifications to ensure compliance with the applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

CROWN LIFTERS LIMITED

YEAR ENDING : 31ST MARCH, 2025

INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF CROWN LIFTERS LIMITED

To
The Members,
Crown Lifters Limited

We have audited the accompanied financial statements of **M/s. CROWN LIFTERS LIMITED**, which comprise the Balance Sheet as at 31st March, 2025 and the Statement of Profit and Loss, Statement of Changes in Equity and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India :

- (i) in the case of the Balance Sheet, of the state of affairs of the company as at 31st March, 2025;
- (ii) in the case of the Statement of Profit & Loss account, its **Profit** for the year ended on that date.
- (iii) in the case of the Cash Flow Statement, its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards on Auditing are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

As per SA 701, Key Audit Matters are applicable to the Listed Company in forming of our opinion thereon, however, no Key Audit Matter exists, hence, we do not provide separate opinion on these matters.

Information other than the financial statements and auditors' report thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditor's report thereon, but does not include the financial statements and our auditor's report thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Company's annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

YEAR ENDING : 31ST MARCH, 2025

Management's and Board of Directors' Responsibilities for the Financial Statements

The Company's Management and Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- (i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform the audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (ii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statement in place and the operating effectiveness of such controls.
- (iii) Evaluated the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.

- (iv) Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting in preparation of financial statement and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (v) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE 'A' TO THE AUDITOR'S REPORT OF EVEN DATE

(Referred to in paragraph 1 under 'Report on Other Legal & Regulatory Requirement' section of our report of even date)

(i) Property, Plant and Equipments :

- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) The Company does not have any Intangible Assets.
- (b) According to the information and explanation given to us and on the basis of our examination of the records of the company, the company has a regular programme of physical verification of its Property, Plant and Equipment by which all Property, Plant and Equipment are verified in a phased manner over a period of three year. In accordance with this programme, certain Property, Plant and Equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the company, the title deeds of immovable properties (other than immovable properties where the company is lessee and the lease agreement are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the company.
- (d) According to the information and explanations given to us and on the basis of our examinations of the records of the company, the company has not revalued its Property, Plant and Equipment (including Right of Use assets) or Intangible Assets or both during the year.
- (e) According to the information and explanation given to us and on the basis of our examination of the records of the company, there are no proceedings that have been initiated or pending against the company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (45 of 1988) and rules made thereunder.

(ii) Inventories and Working Capital:

- (a) According to the information and explanation given to us and on the basis of our examination of the records of the company, there are no inventories during the year into consideration. Therefore, the physical verification of the inventory is not applicable to the company.
- (b) According to the Information and explanation given to us and on the basis of our examination of the records of the company, the company has not been sanctioned any working capital limits in excess of five crore rupees. Hence, the reporting of this clause is not required.

INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF CROWN LIFTERS LIMITED

ANNEXURE 'B' TO THE AUDITOR'S REPORT OF EVEN DATE

Report on the internal financial controls with reference to the aforesaid financial statement under clause (i) of sub-section 3 of section 143 of the Companies, Act 2013

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls with reference to financial statements of **M/s. CROWN LIFTERS LIMITED** as on 31st March, 2025 in conjunction with our audit of the financial statements of the company as at and for the year ended on that date.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31st March, 2025, based on the internal financial controls with reference to financial statements criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to financial statements based on the criteria established by the company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statement included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedure selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial controls with reference to financial statements.

YEAR ENDING : 31ST MARCH, 2025

Meaning of Internal Financial Controls with Reference to Financial Statements

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that,

- (1) Pertain to the maintenance of records that, in reasonable details, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of managements and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of Internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

for the year ended on 31/03/2025**

Note No. 22 : Notes to Accounts

(A) Corporate Information :

M/s. Crown Lifters Limited is limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company has been registered in National Stock Exchange of India.

The Company is engaged in the business hiring of the Cranes.

(B) Basis of preparation :

- (a) The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006, (as amended) which continue to apply as per section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognised accounting practices and policies generally accepted in India. The financial statements have been prepared on an accrual basis and under the historical cost convention unless otherwise specified. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year unless otherwise specified.
- (b) All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

(C) Summary of significant accounting policies :

(a) Use of Estimates :

The preparation of financial statements in conformity with generally accepted accounting principles requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities as of the date of the financial statements and reported amounts of income and expenses during the period. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Actual results could differ from the estimates.

(b) Property, Plant and Equipment :

- (i) Property, plant and Equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.
- (ii) Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing Property, Plant and Equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Note No. 22 : Notes to Accounts Continued...

(c) Depreciation on Property, Plant and Equipment :

Depreciation is provided on a pro- rata basis on the straight line method as prescribed under Schedule II to the Companies Act, 2013. Depreciation is provided on pro-rata basis on addition during the year.

(d) Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

(i) Sale of Goods :

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods.

(ii) Interest :

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

(e) Operating leases :

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased asset, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term, in accordance with Accounting Standard 19 on 'Leases', as notified under the Companies (Accounting Standards) Rules, 2006, as amended.

(f) Income Taxes :

(i) Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

(ii) Deferred tax assets and liabilities are measured using the tax rates and tax law that have been enacted or substantively enacted on the Balance Sheet date.

Note No. 22 : Notes to Accounts Continued...

(g) Segment Reporting :

The company has only one line of business segment, therefore, no separate information for segment-wise disclosure is required.

(h) Inventories :

- (i) Raw materials are stated at lower of cost or net realisable value on First in First out method
- (ii) Stock of finished goods and materials in process have been valued at cost or net realizable value whichever is lower.

(i) Foreign Exchange Translations :

- (i) Foreign currency transactions during the year are recorded at the rates of exchange prevailing on the date of the transaction. Foreign currency assets and liabilities are translated into rupees at the exchange rates prevailing on the date of the Balance Sheet. All exchange differences are dealt with in the statement of profit and loss. Differences between the forward exchange rates and the exchange rates at the date of transactions are recorded as income or expenses over the life of the contracts.
- (ii) There is no foreign Exchange Transactions during the year into consideration.

(j) Earning per Share :

Basic Earnings per share is calculated by dividing the net profit for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

(k) Provisions and Contingent Liabilities :

(i) Provisions :

A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

**Notes forming part of the Financial Statements
for the year ended on 31/03/2025**

Note No. 22 : Notes to Accounts Continued...

(ii) Contingent Liabilities :

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

(l) Cash and Cash Equivalents :

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of twelve months or less.

(m) Cash Flow Statement :

Cash Flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing and financing cash flows. The Cash flow from Operating, Investing and Financing Activities are segregated. However, during the period into consideration, there is no statutory requirement to prepare the Cash Flow Statement.

(n) Accounting of Gratuity :

The Company follows mercantile method of accounting except the Gratuity Payment, which are accounted on cash basis.
